A photograph of a forest stream with autumn foliage. The stream flows through a dense forest, with fallen leaves scattered on the ground and in the water. The trees are mostly bare, with some green foliage still visible. The water is dark and reflects the surrounding trees and leaves. The overall scene is peaceful and scenic.

## INDEPENDENT AUDITOR'S REPORT ON FINANCIAL STATEMENTS

To the Members of the Selectboard and Management  
Town of Goshen, New Hampshire

**Report on the Financial Statements.** We have audited the accompanying financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Goshen, New Hampshire as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the table of contents.

**Management's Responsibility for the Financial Statements.** Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility.** Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Town's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion.

An audit also includes evaluation the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluation the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

**Opinions.** In our opinion, the basic financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Town of Goshen, New Hampshire, as of December 31, 2019, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

### Other Matters:

**Required Supplementary Information.** Management has not presented a *Management's Discussion and Analysis* of the financial statements. Although it is not required to be part of the basic financial statements, United States generally accepted accounting principles considers it required supplementary information. Budgetary and other information presented in the section marked

*Required Supplementary Information* are not a required part of the basic financial statements, but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and therefore express no opinion on it.

*Supplementary Information.* Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Town's basic financial statements. The accompanying schedules listed in the table of contents such as the individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated in all material respects in relation to the basic financial statements as a whole.

## Cemetery Commission

Goshen Residents,

**2020 was a difficult year for everyone** slowing down the process of the tree work at all three cemeteries. That being said we still managed to continue to cut back and trim to avoid damage from falling limbs and trees on the boundary lines.

Our goal is to continue to do additional work in 2021 to improve the cemeteries in town.

Your continued support is very much appreciated.

*Sincerely,  
Jan Parmalee & Chris Moen,  
Co-Chairs*

## Conservation Commission

**D**ue to Covid and the July resignation of all Conservation Commission members, July through December has been a rebuilding time for the committee. Starting in February 2021 six new members will start off the 2021 year on a high note.

Due to Covid the commission was unable to hold any conservation education programs in 2020, but the Conservation Commission was able to donate three magazine subscriptions to the library. The commission continued to support trail maintenance on both Gunnison Lake and Rand Pond. The Commission supported the Ausbon Sargent Land Preservation Trust which benefits conservation easements like the Hazel Johnson property and two private properties in Goshen. The commission supported both the Sunapee-Ragged Kearsarge Greenway, where a portion of this trail passes through Goshen, as well as the Loon Preservation Society through its annual membership.

## Fire Association

### Goshen Residents,

Last year slowed down our fund raising activities. We were able to continue with the municipal marketing mailing which we are very thankful for the support we received.

In July we did the chicken barbecue by prepay and drive-thru which was well recieved.

This fall we also did a drive-up ham dinner at the Parish hall.

We also did a presale donut day at the firehouse which was well received.

With the funds raised we are able to help supply the needs of the department without tax dollars.

We are looking forward to continuing to help raise monies for the department to help with the needs of the firefighters and EMTS.

Thank you again for your continued support to make this possible. Be looking out for more fundraising activities coming in 2021.

*Thank you,  
Sherri Moen, President,  
Goshen Fire Service Association*

## Fire Department / Rescue

**ESTABLISHED IN 1939 / SUCCESS THROUGH TEAMWORK**

**For your safety remember to always call 911 to get help.**

**PLEASE POST YOUR STREET NUMBER ON YOUR HOUSE  
AND NEAR THE ROAD**

**This helps with us getting to your exact location.**

**2020 has been another busy year** for us on the Goshen Volunteer Fire Department. Between the Fire Department and the Rescue Department we responded to 92 Calls For Service.

### **Calls for Service Breakdown:**

41 Fire Response Calls and 51 Medical / Rescue Calls  
Structure Fires in Goshen 2  
Chimney Fires 1  
Dumpster Fire 0 Car Fires 0  
Illegal Burn 0 Forestry fire calls Goshen 1,  
M/Aid 5  
Motor vehicle accidents 6  
Trees on, or Wire Hazards 17  
Flooding 1 DHART Helicopter Landings 2  
in Goshen  
Haz Mat GAS / Oil / Propane 1 Missing Person Search Rescue 0  
Fire /CO Alarm 0  
Mutual Aid Received: 5  
Mutual Aid Given: 6, To Station Coverage 4  
Mutual Aid GFD To Fire Scenes 6  
The 41 FIRE RESPONSES {Excludes \* Below}  
M/AID rec'd direct to Goshen scenes .....4\*  
M/AID to Goshen for station coverage.....1\*  
Medical / Rescue Calls (51) are not broken down due to privacy, or confidentiality requirements  
Monthly: Business Meetings 12, Work Details 12, Department. Trainings 12

### **Hours served in 2020**

The members of the Goshen Fire Department put in an accumulative amount of over 2000 hours of service to the Town of Goshen. This includes actual trainings, meetings, and work details with equipment and truck checks, as well as responding to calls for service.

### **2020 Membership**

Our Membership has remained steady, but we are always looking to add new resident members

for both the Fire, or Rescue EMS. So please feel free to contact the Chief, a current member, or stop at the station on a Wednesday night for further information and an application.

### **2020 Fire Station Status**

No changes to the station in 2020.

### **2020 Fire Responses**

We did have two structure fires in Goshen. A small chicken coup fire, and a propane furnace issue that ignited an area of a cellar. Thanks to the residents' actions at both of these events the fires were contained resulting in minimal damage. We did have 1 chimney fire that brought in Mutual Aid from Lempster, Newport and Unity. With the drought conditions for most of the year we responded to 6 Brush Fires. One in Goshen and we went Mutual Aid to Newport, Sunapee, and three times to Unity. Lempster Fire also came to Goshen to assist Goshen with two separate DhART Helicopter landings. Belonging to a large Mutual Aid District, all of the towns agree to respond to assist each other when called upon. In regards to this, we got requested to respond to Jaffrey, NH to a large mill building fire with our Rescue Truck. This truck has the Powerful Scene Spot-Lights mounted on the tower and creates a safer work environment for a long duration nighttime operations.

**Goshen Rescue Personnel** continue to be a big part of this organization. Besides the fire departments activities that they participate and train in, they also step up and do the extra Medical and EMS Trainings to keep or get EMT Medical Certifications. They maintain, inventory, and supply Goshen with the needed medical equipment for a medical call. We respect the extra trainings, meetings, and calls this group participates in, resulting in a few extra nights away from home each month. We are always looking to add new members to our EMS staff so please feel free to contact the Chief, or other members for further information on joining and helping your neighbors.

*(Continued on next page)*

## **Covid 19 Pandemic**

The Goshen Fire Rescue has had to adapt to the many new and ongoing protocol changes due to the pandemic. Please note our response to your needs may be a little different as we approach your incident. We will continue to protect ourselves and you to the best of our abilities including using PPE as required. We may ask additional questions from outside prior to entering your residence. Goshen has done a great job of being safe with minimal cases affecting our residents in 2020. Our EMS crews did a great job acquiring PPE during the early stages of the pandemic and were able to assist some of our neighboring departments with some PPE Supplies.

In 2020 with the pandemic many changes took place and canceled many planned trainings and changed others to online zoom trainings. Goshen Fire Rescue Department did adapt and changed our trainings.

## **2020 Equipment Evaluation**

In 2020 we had our yearly maintenance done on all of our air packs. Our Service provider for the air packs and bottles was able to locate new to us Air Bottles and upgrade the packs to give us at least another 10 years of life to this equipment. Funding for this came from the PPE Capital Reserve. Goshen was able to acquire some new to us high valued Equipment at zero cost to the taxpayers. The Association donated a set of Jaws of Life Rescue Tools. They are now on the rescue truck. We had a second set of jaws / combi tool donated from a department in Connecticut, that tool is now on Engine 2. We also received an Air Pack refilling station from a department in Massachusetts for our station.

## **2020 Truck / Equipment**

1999 Pierce Engine / Tanker 1 This truck features a 1250 GPM PUMP, Carries 1500 Gallons of water. It is built to the higher safety standards that are common on today's fire apparatus.

2008 E-One Pumper Engine 2 is our frontline fire attack piece of equipment. This Truck Features A 1250 GPM Pump and a 1000 Gallon water tank.

Goshen's Rescue 1, 1991 Ford Superduty is operating very well and is being used on most calls. It responds to rescue and medical calls, car accidents, and building fires. The Generator and Light Tower on this truck have been very useful at night time incidents providing a safer work scene.

Goshen's Forestry 1 is a 1990 Ford F 450 AWD MINI PUMPER. This truck continues to perform very well and got a lot of use in 2020.

Goshen's Forestry 2, 1968 Ford F250 4X4 is still in service for brush fires.

The Goshen Fire Services Association, PO Box 304, Goshen NH 03752 is the support organization that puts on our annual Chicken Barbecue. The association also usually buys an item, or two for the Fire, or Rescue Departments that we do not have. If you want to donate to Goshen Fire please make your donations to Goshen Fire Services Association. Thank you to all that have donated to supporting this local organization. Also be advised our 2021 Fund Drive Mailer will be coming out in the mail soon and all funds received go directly to this organization. In 2020 The Association donated a set of Hurst Rescue Jaws Of Life Rescue Tools. On behalf of the GVFD thank you all for your commitment.

In December of 2020 I announced that I would not be seeking reelection as the Goshen Fire Chief in 2021. I have completed my 10th year as Goshen Fire Chief and decided to retire from this position. After 36 years in the fire service and 31 of those years on the Goshen Fire Department I am extending my heartfelt thank you to the community for the support of this department. I am stepping away from this position knowing the department did a lot of good for many people and animals over the years. I know we have a good solid Team of Goshen Fire and Rescue Personnel that will keep the drive of building on the past and moving the Department forward in the future in a proactive positive manner.

In closing it has been a pleasure to work for and in the Town of Goshen. I would also like to thank the Dedicated Fire Fighters, Rescue Personnel, and our Mutual Aid Departments. Also Cindy Rouillard in the selectmen's office for her help, the Selectmen, Goshen Highway Department, Goshen Police, plus the many other town employees, residents, taxpayers, and friends that do care and support the Goshen Volunteer Fire Rescue Department.

*Thank You,  
Daniel P. Peterson,  
Goshen Fire Chief*

## Forest Fire Department

*Call **911** for any and all EMERGENCY CALLS in NH.*

*Goshen Fire Rescue and Forest Fire Department personnel are dispatched through SWNHDFMA, located in Keene NH. The non Emergency number is **352-1291**.*

*Goshen Fire Station Non Emergency number is **863-2525** or by chance*

*FOR FIRE PERMITS IN GOSHEN PLEASE CONTACT ONE OF US AFTER 5 PM:*

***DAN PETERSON 863-4506, 454-4117,***

***CHRIS MOEN 865-5016,***

***JACK WARBURTON 477-3261***

***RYAN HALL 454-4334***

*On most Wednesday nights after 6:30 someone is at the station that can issue permits.*

**I** like to thank the community of Goshen for their continued support of the Goshen Forest Fire Department. Thanks to the Deputy Wardens and the Goshen Fire Fighters for their help.

Forest Fire staff are Warden Daniel Peterson, Deputy Wardens, Ricky Shepard, Chris Moen, Gordon Bartlett, Jack Warburton, Janny Kowynia, Zack Dickinson, and Ryan Hall.

The annual Spring NH Warden / Deputy Warden Trainings were held online this year due to the Covid 19 pandemic. On the local level we were able to social distance and host in town Brush Fire Trainings. This year we held a controlled burn of a large brush pile and we also did an off road trip up into Blood Valley for familiarization with the remoteness and hazards that area presents to the fire and rescue service.

The weather in 2020 was very dry with drought conditions for most of the year. This kept the Fire Danger higher this year. For us it turned out to be a busy year for incidents in the area. We had one brush fire in Goshen burning just over a half acre. We responded mutual aid for 5 other brush fires in the area. Three fires in Unity, and one each in Newport and Sunapee. Special thanks to our crews and equipment for doing great work at these incidents.

Annually we issue around 200 fire permits in the Town of Goshen. We thank you for extending your courtesy to our families and to call ahead of time for your fire permits. You can now get the smaller size camp fire permits for Goshen, Class 1,

or 2 fire permits, online at [www.nhfirepermit.com](http://www.nhfirepermit.com). There is a \$3 processing fee for the online permits. All large Brush Piles will be inspected for conformance to NH State Forest and Lands and NHDES Regulations and still require a written permit from the Local Goshen Warden or a Deputy Warden. NHDES also reminds you that it is illegal to burn any trash, plastics, painted wood, plywood, furniture, mattresses, tires, or demolition debris. None of the listed items should ever be burnt in a brush pile, a woodstove, or an outside furnace. It is best to dispose of them at the transfer station. If these are found to be in your brush piles they will be required to be removed prior to a permit being issued. Note: On, or in Brush Piles The Maximum Diameter of logs allowed is 5 inches.

Another type of incident that can cause us problems are illegal campfires out in the area of class six roads and Gunnison Lake. Often these fires are not extinguished prior to the people leaving. This puts Goshen in a potential danger for a large forest fire. If you see something, please call 911 and have us come out and inspect and put the fire out. Please extinguish your fires with water do not bury them to put them out. I do like to remind you that you are responsible for any fire that you light. Per NH State laws you could be held financially responsible for any cost to extinguish, any damage associated with a fire that gets away from you, or caused by you.

*Thanks for your help over the years,  
Goshen Warden Daniel Peterson.*

**GOSHEN NH VOLUNTEER  
FIRE DEPARTMENT  
REPORT FOR 2020  
ESTABLISHED IN 1939**

SUCCESS THROUGH TEAMWORK FOR OVER 80 YEARS

**For your safety remember to always call 911 to get help.  
This helps with us getting to your exact location.**

**PLEASE POST YOUR STREET NUMBER ON YOUR HOUSE AND NEAR THE ROAD**

**2020** has been another busy year for us on the Goshen Volunteer Fire Department. Between the Fire Department and the Rescue Department we responded to 92 Calls For Service.

**Calls for Service Breakdown:**

**41 Fire Response Calls and 51 Medical / Rescue Calls**

Structure Fires in Goshen 2

Chimney Fires 1

Dumpster Fire 0 Car Fires 0

Illegal Burn 0 Forestry fire calls Goshen 1, M/Aid 5

Motor vehicle accidents 6

Trees on, or Wire Hazards 17

Flooding 1 DHART Helicopter Landings 2 in Goshen

Haz Mat GAS / Oil / Propane 1 Missing Person Search Rescue 0

Fire /CO Alarm 0

Mutual Aid Received: 5

Mutual Aid Given: 6, To Station Coverage 4

Mutual Aid GFD To Fire Scenes 6

The 41 FIRE RESPONSES {Excludes \* Below}

M/AID rec'd direct to Goshen scenes .....4\*

M/AID to Goshen for station coverage.....1\*

Medical / Rescue Calls (51) are not broke down due to privacy, or confidentiality requirements

Monthly: Business Meetings 12, Work Details 12, Department. Trainings 12

**Hours served in 2020:** The members of the Goshen Fire Dept. put in an accumulative amount of over 2000 hours of service to the Town of Goshen. This includes actual trainings, meetings, and work details with equipment and truck checks, as well as responding to calls for service.

**2020 Membership:** Our Membership has remained steady, but we are always looking to add new resident members for both the Fire, or Rescue EMS. So please feel free to contact the Chief, a current member, or stop at the station on a Wednesday night for further information and an application.

**2020 Fire Station Status:** No changes to the station in 2020.

**2020 Fire Responses:** We did have two structure fires in Goshen. A small chicken coup fire, and a propane furnace issue that ignited an area of a cellar. Thanks to the resident's actions at both of these events the fires were contained resulting in minimal damage. We did have 1 chimney fire that brought in Mutual Aid from Lempster, Newport and Unity. With the drought conditions for most of the year we responded to 6 Brush Fires. One in Goshen and we went Mutual Aid to Newport, Sunapee, and three times to Unity. Lempster Fire also came to Goshen to assist Goshen with two separate DhART Helicopter landings. Belonging to a large Mutual Aid District, all of the towns agree to respond to assist each other when called upon. In regards to this, we got requested to respond to Jaffrey, NH to a large mill building fire with our Rescue Truck. This truck has the Powerful Scene Spot-Lights mounted on the tower and creates a safer work environment for a long duration nighttime operations.

**Goshen Rescue Personnel** continue to be a big part of this organization. Besides the fire departments activities that they participate and train in, they also step up and do the extra Medical and EMS Trainings to keep or get EMT Medical Certifications. They maintain, inventory, and supply Goshen with the needed medical equipment for a medical call. We respect the extra trainings, meetings, and calls this group participates in, resulting in a few extra nights away from home each month. We are always looking to add new members to our EMS staff so please feel free to contact the Chief, or other members for further information on joining and helping your neighbors.

**Covid 19 Pandemic:** The Goshen Fire Rescue has had to adapt to the many new and ongoing protocol changes due to the pandemic. Please note our response to your needs may be a little different as we approach your incident. We will continue to protect ourselves and you to the best of our abilities including using PPE as required. We may ask additional questions from outside prior to entering your residence. Goshen has done a great job of being safe with minimal cases affecting our residents in 2020. Our EMS crews did a great job acquiring PPE during the early stages of the pandemic and were able to assist some of our neighboring departments with some PPE Supplies.

**In 2020 with the pandemic** many changes took place and canceled many planned trainings and changed others to online zoom trainings. Goshen Fire Rescue Department did adapt and changed our trainings.

**2020 Equipment Evaluation:** In 2020 we had our yearly maintenance done on all of our air packs. Our Service provider for the air packs and bottles was able to locate new to us Air Bottles and upgrade the packs to give us at least another 10 years of life to this equipment. Funding for this came from the PPE Capital Reserve. Goshen was able to acquire some new to us high valued Equipment at zero cost to the taxpayers. The Association donated a set of Jaws of Life Rescue Tools. They are now on the rescue truck. We had a second set of jaws / combi tool donated from a department in Connecticut, that tool is now on Engine 2. We also received an Air Pack refilling station from a department in Massachusetts for our station.

**PAGE 2 OF 3**

## **2020 Truck / Equipment:**

**1999 Pierce Engine / Tanker 1** This truck features a 1250 GPM PUMP, Carries 1500 Gallons of water. It is built to the higher safety standards that are common on today's fire apparatus.

**2008 E-One Pumper Engine 2** is our frontline fire attack piece of equipment. This Truck Features A 1250 GPM Pump and a 1000 Gallon water tank.

**Goshen's Rescue 1, 1991 Ford Superduty** is operating very well and is being used on most calls. It responds to rescue and medical calls, car accidents, and building fires. The Generator and Light Tower on this truck have been very useful at night time incidents providing a safer work scene.

**Goshen's Forestry 1 is a 1990 Ford F 450 AWD MINI PUMPER.** This truck continues to perform very well and got a lot of use in 2020.

**Goshen's Forestry 2, 1968 Ford F250 4X4.** Is still in service for brush fires.

**The Goshen Fire Services Association, PO Box 304, Goshen NH 03752** is the support organization that puts on our annual Chicken Barbecue. The association also usually buys an item, or two for the Fire, or Rescue Departments that we do not have. If you want to donate to Goshen Fire please make your donations to **Goshen Fire Services Association**. Thank you to all that have donated to supporting this local organization. Also be advised our **2021 Fund Drive Mailer** will be coming out in the mail soon and all funds received go directly to this organization. In 2020 The Association donated a set of Hurst Rescue Jaws Of Life Rescue Tools. On behalf of the GVFD thank you all for your commitment.

In December of 2020 I announced that I would not be seeking reelection as the Goshen Fire Chief in 2021. I have completed my 10<sup>th</sup> year as Goshen Fire Chief and decided to retire from this position. After 36 years in the fire service and 31 of those years on the Goshen Fire Department. I am extending my heartfelt thank you to the community for the support of this department. I am stepping away from this position knowing the department did a lot of good for many people and animals over the years. I know we have a good solid Team of Goshen Fire and Rescue Personnel that will keep the drive of building on the past and moving the Department forward in the future in a proactive positive manner.

In closing it has been a pleasure to work for and in the Town of Goshen. I would also like to thank the Dedicated Fire Fighters, Rescue Personnel, and our Mutual Aid Departments. Also Cindy Rouillard in the selectmen's office for her help, the Selectmen, Goshen Highway Department, Goshen Police, plus the many other town employees, residents, taxpayers, and friends that do care and support the Goshen Volunteer Fire Rescue Department.

**Thank You  
Daniel P. Peterson  
Goshen Fire Chief**

## Goshen Grange Renovation Project 2020

**T**he renovation of the Grange building is well underway. This project will result in two office spaces, and a small meeting room; all much needed by the town. It also preserves a historic building that has been part of our town life since 1853.

The renovation is funded by a New Hampshire Preservation Alliance grant, three Moose License Plate grants, a large LCHIP (New Hampshire Land and Community Heritage Investment Program) grant, a USDA (US Department of Agriculture) Rural Development grant, and town funds from our unexpended fund balance. It comes out to very roughly 20% town money, the rest from grants.

Dave Dumas, who is new to town and an incredible resource, has volunteered his very extensive experience as site supervisor to keep the project moving smoothly forward. The roof and foundation work is done, as is the rough interior framing. The electrical installation is underway, likely done by town meeting time.

We have signed agreements with contractors for the plumbing and heating, the site work, insulation, and for the finish carpentry. When the building work is done we will have reached the financial match for the USDA grant, allowing release of

their funds for the septic system and water supply. We hope to complete the whole project by the time I am writing my report again next year.

Want to help? We are hoping we can get the interior painting done using the fine skills of our Goshen residents. Let us know if you can paint without spattering. There are, of course, also openings

for people to help in other ways. Just let us know if you would like to help preserve a piece of history. How often do you get a chance like that? We can manage social distancing to keep us healthy and also get the job done.

*Sandy Sonnichsen*  
Volunteer Grant writer  
(and paperwork queen)  
603-313-3059

## Highway Department

**The highway department had a very productive year.**

- Replaced culverts
- Ditching
- Cut dead trees throughout the town
- Rebuilt one ton truck body
- Repaired International truck body.
- Mud season wasn't as bad as last year.
- Rand Pond project was completed. Thank you to K. A. Stevens.
- The new truck arrived in August. It was a long wait but well worth it.

*Thank you for your support  
Kevin Bevilacqua and Joel Lussier*

## Historical Society

**W**e did not meet very often this year due to the winter flight of several “snowbirds,” and Covid-19. The good news is that we received more items for future archiving; several examples are shown below.

**Sugar River Farm**, with guest cottages, gas pump and small store (shown in the three photos below) later became Dave's Pizza. The house still stands at the junction of Route 10 and Route 31.

**LEFT:** The location of this Goshen post office (featured on the 2019 town report cover) was recently discovered in materials donated to the historical society by Jack Newman.

“In 1913 MRS. JULIA CRANE WAS THE POST MISTRESS in Goshen, having her office in the farm home on Willey Hill Road, Goshen Corner. According to eyewitnesses, the mail was sorted on a bed. Once, when the bed was moved, a special delivery letter was found behind it. In spite of its being six months old, the Cranes' younger son, Imri, insisted on collecting the 50 cent fee for delivering it. (Picture and information courtesy of Doris N. Newman, Goshen).”

Historical Society contacts: [beajillette@gmail.com](mailto:beajillette@gmail.com) or [jmwirkkala@myfairpoint.net](mailto:jmwirkkala@myfairpoint.net)

# Library

*"Bad libraries build (only) collections; good libraries build services, great libraries build communities."*

*R. David Lankes, American Author*

**T**he Covid-19 pandemic created a great challenge to offering the activities and services that we have typically held. However, the library is open with social distancing measures and limited occupancy, and we will continue to operate with the safety of the public in our foremost interest! While "in person" activities have not yet resumed, there is still much going on!

In September we sadly bade farewell to our great Librarian of 13 years, Cynthia Phillips, as she left Goshen for a new home in New Mexico. Cyndi built the image of the library to one that had much more to offer than just books! We then welcomed our new Library Manager, Shelby Wood. Shelby has recently relocated to our area and is becoming a great asset to our library community, sharing the vision previously held by Cyndi!

Since September, Shelby has made the library a strong presence on social media. She has found many imaginative ways to engage the public virtually! Through polls, contests ("Cold Nights/ Hot Reads") and take- and-make projects that you can pick up and do at home, there are lots of ways for you to join us. You can access the library's web page through Facebook at Olive G Pettis Memorial Library to view all of the events going on throughout the year! There are also lots of new books and DVDs for your cold days and nights at home!

The trustees' planning of the "outdoor space/ learning trail" which we announced last year continues. In April we contracted with the Natural Playgrounds Company of Concord NH to design the area. We also met with the Zoning, Planning and Select Boards to answer questions and to address all concerns. The trustees submitted a grant request to the Claremont Savings Bank Founda-

tion to be used toward the space, and we were awarded \$5000. We are optimistic about making substantial progress in the coming year! Thank you to all who have offered donations of services already! We will develop a way to acknowledge and thank all who contribute to this community project!

Also in support of this same project, our new librarian wrote and received a grant for \$3000! The grant was awarded by the American Library Association's "Libraries Transforming Communities, with a focus on small and rural libraries" initiative. The grant will facilitate our being able to have conversations about integrating nature into our lives, as well as integrating books, workshops on nature topics, and technology with the planned outdoor space.

On another upbeat note, we were able to hold a safe version of our popular "Trunk or Treat" this year, with unconventional procedures! Decorated vehicles were distanced 10' apart with trunks open to allow for the distribution of goodies to costumed children in their vehicles as parents drove them through. It was attended by 73 happy children and was a very successful event!

As always, we'd like to thank you, the Goshen community for your ongoing support of our programs and activities! We look forward to the day when we'll be able to resume full library access and live programming. We hope that we'll be seeing you sometime in the future year!

Finally, a huge thank to the trustees... Trisha, Eryc and Kim, whose imaginations and energy are amazing and inspiring!

*Bonnie Belden, Chair  
Olive G. Pettis Library Trustees*

## Library Offerings

**F**irst and foremost, I want to thank the community for being so hospitable to me as the new library manager. It's been a great adventure, and a wonderful experience meeting people, and discussing books, films, and many things in between. If we have not yet met, please stop in to the library and introduce yourself. I'd love to learn more about what you're reading and watching!

**All of the following are offered FREE of charge.**

### *Online Offerings with your library card*

- [ancestry.comHeritageQuest.com](http://ancestry.comHeritageQuest.com)
- [overdrive/Libby](http://overdrive/Libby) (ebooks)

### **DIY Programs**

- Book Pumpkins
- Pine cone Turkeys
- Book Wreaths
- Essential Oil Diffusers
- 3D Polar Bears

### **Movie Night Kits**

- Borrow the DVD with props and popcorn for family fun!

### **Book Groups**

- On Zoom on the first Thursday of each month
- Share current reading and give recommendations

### **Preschool Story and Craft Times**

- Through Facebook Live Events, include story and craft
- Times posted 1 – 2 times per month in November and December

### **Family Celebrations**

- Drive-through Trunk-or-Treat
- Cookies Sweet Enough for Quarantine recipe exchange

### **Library Loan Program**

- Free passes for NH State Parks and Montshire Museum
- Also, musical instruments, telescopes, board games and puzzles

### **Community Service**

- 24/7 internet access (in library or parking lot)

### **Top Items in Circulation 2020**

#### **Books:**

- Dinosaurs Roar, Butterflies Soar! Bob Barner (Juvenile Non-Fiction)
- Where the Crawdads Sing, Delia Owens (Fiction)
- Notes on a Killing: Love, Lies and Murder in a Small New Hampshire Town Kevin Flynn and Rebecca Lavoie (Non-Fiction)

#### **Periodicals:**

- Cook's Illustrated
- Yankee: New England's Magazine
- New Hampshire Wildlife Journal

#### **Audio/visual materials (DVDs, Audiobooks and Kiwi Kits)**

- Little House on the Prairie: The complete Television Series (DVD)
- Busy Bees (Kiwi Kit)
- Dolittle (DVD)

#### **Music / CD**

- Solitude: Nature Sound Collection Songbirds by the Stream
- Ceremony of Love
- Peacemaker's Journey

*Shelby Wood, Library Manager*

## Planning Board

**Meetings/Scheduling:** The Planning Board continues to meet the first and third Thursday of each month. In months where a meeting may have been canceled, cancellations were first discussed and voted upon by the Planning Board before the actual cancelation. Cancelations are noted in the minutes; minutes are posted on the Goshen town website, in the Post Office, and the Town Hall.

The board endeavors to have quorum at all meetings so that votes and actionable tasks may be addressed without delay. In rare occasions when quorum is not met, the board will post minutes so that the town is informed; those minutes will not be voted upon by the board.

The agenda for each meeting is posted in advance on the town website.

Of note, due to the COVID-19 pandemic the Planning Board did not meet in March or April and resumed meetings in the second half of May 2020.

### Membership

In 2020, Bruce Nadeau continued as the ex-officio representative from the Select Board. Alicea Bursey and George Hebert continued as Chair and Vice-Chair, respectively. The Planning Board has board openings for those interested in town participation.

### Activities

During the past year, the board carried out the following reviews:

- Lot line adjustment (s)/Annexation (s): two (2) completed – one was conditionally approved
- Voluntary Merger (s): one (1) completed
- Subdivision (s): three (3) completed
- Excavation Permit (s) or Renewal (s): one (1) renewal completed

### Regulations/Ordinances

The Planning Board is responsible for the reviewing and updating of town regulations and ordinances. No review of regulations or ordinances were carried out this year. The board is planning to review solar energy regulations in 2021 and possibly update town regulations and ordinances where needed.

### Capital Improvement Plan

During the 2020 year the Board continued the review and compilation of the Capital Improvement Plan. Due to COVID-19 the plan will be submitted later than anticipated. To date all requests for project funds have been received and the plan is currently being updated.

### Excavation Activities

The board carried out the annual inspection of permitted excavation areas in the fall of 2020. Excavation activities have continued without issue and sites continue to be clean and orderly. No issues were identified, and reclamation is ongoing at all sites. The bond was renewed for one excavation site and the excavation permit also renewed for one site.

### Broadband Internet

In August, the ZBA and Planning Board jointly held an informational session on bringing high-speed internet to Goshen. The informational session was presented by Consolidated Communications, Inc and brought about by the high number of concerns/complaints voiced to various town boards regarding internet access.

*Alicea Bursey  
Chair, Planning Board*

## Police Department

**2020 started like another normal year for the Goshen Police Department.** Calls were averaging the same as past years. Then Covid-19 hit us all. In my 28 years as an officer and working through 2 ice storms I have never seen the streets have such an empty feeling as they did. Traffic was almost at a halt. The only place that seemed to be over crowded was the supermarkets. I shortly after that started to shop for any residents that needed food related items or their wish lists for foods that were hard to get. Every Friday I would call around, ask through people, and spread through word of mouth if anyone needed anything and would do my best to pick up those items on Saturday and deliver. Shopping came to be a regular event for about 3 months for me.

The Department's calls for service dropped to an all-time low for many months. As travel and work, picked back up we continued to get busy and back to normal. During the beginning stages of Covid-19, we primarily wanted the residents to see the cruisers presence on the roads.

Gunnison Lake became a hot spot for people this year. On a few weekend days, I observed parked cars that filled the upper lot and parked along the road down to the flats before the entrance. We continue to deal with large amounts of litter and fire pits along the trails. The rope swings are cut down trying to eliminate this type of activity along the trail.

The department towards the end of the year was seeing complaints on traffic and high speeds going up. If possible, to log a time if issues are reoccurring and or description of the vehicle would be very helpful to us. We can try to be in the area of concerns during those times. This year I personally stopped two vehicles for traveling in excess of 80 mph on Brook road and many cars in the 60's. These speeds are just too fast and considered reckless driving in NH. The fines are much higher to include a suspension of your driver's license and privileges. A few people this year were able to do community service hours to address there citations working for the Town to assist us in areas the town could use help.

I would like to thank all the employees for the Town and their continued dedication to work while this pandemic is going on. The Town continues to operate smoothly in such trying times. Our Fire Department and Rescue squad is amazing to staying up to date on trainings, which is allowing them to enter into your residence and attend to any emergency or medical issues you may have.

As in the past I offer my cell number (603) 454-8833 if you want to talk to me directly about issues. On many occasions, I have been able to provide assistance right over the phone to address issues or problems.

*Sincerely Chief Edward G. Andersen*

## Select Board

**2020 has been a year** that most of us will never forget. As businesses, schools, community events, activities and more all had to close in the early stages of the Coronavirus pandemic, the Town of Goshen was not insulated from its affects. In an act of caution, our meetings had been canceled initially, our Town offices had been closed to in person visitors, other buildings closed, and new precautions were instituted at our Transfer Station. As we learned more, and Governor Sununu's restrictions loosened, the Town of Goshen slowly loosened as well. We practiced social distancing and mask wearing at meetings, the Town Office was reopened for in-person service, and we all began to operate in the new normal that we find ourselves in.

But in a year of hardship and despair, the Town of Goshen saw significant progress made. This past July, we contracted with Stevens Construction to rebuild Rand Pond Road. Motorists and travelers on that busy dirt road now have a smoother ride, with better drainage.

The Coronavirus pandemic gave many an opportunity to reexamine nature. It's been said that our hiking trail at Gunnison Lake had never been busier, as so many residents and visiting guests explored the beautiful trail around our fortunate natural resource. The Selectmen organized a Green Up Clean Up day at Gunnison Lake this past spring, with a dozen volunteers rolling up their sleeves, grabbing bags and picking up litter unfortunately left behind. The Selectmen worked with the Sullivan County House of Corrections twice to improve and clean up two of our beautiful park areas in town, located at the parking area on Gunnison Lake, and the town beach on Rand Pond. With the help of these men, these two areas were cleaned up, ready for recreational use once again.

Progress on the Sunapee Mountain Grange #144 escalated in 2020. With the help of Sandra Sonnichsen, Gary Dennis and other volunteers, the Selectmen moved forward with our Grange renovation. Resident Dave Dumas stepped in as the Project Superintendent and worked with the Board of Selectmen to hire contractors to systematically rehabilitate our historic Grange building. Though this project did not see full completion in 2020, a profound amount of work had been achieved, and

we are excited to see the betterment we made this year continue into 2021.

2020 made many note the importance of high quality, high speed internet to our small rural town. With remote learning for our school children, telemedicine increases for our seniors, and many working from home, high speed internet advanced to the top of a town-wide initiative. The Zoning Board of Adjustments, Planning Board and Select board all did our parts to procure the opportunity for residents to vote if they want high speed internet in our town. Knowing Goshen is severely underserved with high speed internet, and in some locations, not served at all, the boards independently, and collectively, worked recruiting various bids to bring high speed internet to every household in town. That opportunity is still in process in 2021 and is before the voters to decide which direction they wish to take.

Our longtime webmaster, Karen Winterholer, retired from updating and maintaining our town website [www.GoshenNH.org](http://www.GoshenNH.org). Karen can never be thanked enough for keeping our page up-to-date whenever needed. Saddened to see Karen go, the Selectmen were lucky to find another resident eager to donate their time for our online page. Lou Bradbard volunteered fill Karen's shoes and worked with the Selectmen to create and design a new webpage, which launched in December. This new webpage is in addition to the creation of the Town of Goshen's first foray into social media. A town Facebook page was created this summer, in an effort to distribute information easier to our residents and provide more transparency. The Board of Selectmen implemented guidelines for our Board, and all other boards and employees regarding social media protocol, to protect the Town and its people in this social media world.

Though 2020 brought significant struggles to our community, state and country, the Selectmen are proud of the accomplishments all of us were able to execute, given the restrictions in place. We thank you for your understanding of Covid-19 protocols in place, and look forward to a brighter future moving forward.

*By Select Board members,  
Bruce Nadeau, Steve Smith, Dianne Craig*

## Zoning Board of Adjustment

**Meetings/Scheduling:** The Zoning Board of Adjustment (ZBA) continues to meet the second Wednesday of each month. In months where a meeting may have been canceled; cancellations are first discussed and voted upon by the Zoning Board before the actual cancelation and noted in the minutes. Minutes are posted on the Goshen town website, in the Post Office, and the Town Hall.

The board endeavors to have quorum at all meetings so that the business of residents and the town are not delayed. In rare occasions when quorum is not met the board will not conduct business (votes). The board will post minutes for all meetings so that the town is informed; non-quorum minutes are not be voted upon by the board. All agendas are posted in advance of the meeting on the town website.

Due to the COVID-19 pandemic the board did not meet in April and resumed meetings in May.

### Membership

In 2020, the board voted in Alicea Bursey as the Chair and Ray Porter as the Vice-Chair. The ZBA board has openings for those interested in town participation.

### Activities:

Variance (s): one (1) completed.

### Broadband Internet

Long before the arrival of COVID-19 Goshen residents and businesses struggled with the issue of internet speed and availability. While COVID-19 has highlighted the problem; our residents and businesses have continued to struggle.

Now more than ever, when physical distancing has made connectivity harder, driven businesses to remote models, childhood and adult education to an online platform, and

even medical care to an internet-based service, Goshen has continued to struggle with internet speeds and availability.

The Goshen Internet Committee was formed in response to the growing number of concerns/complaints voiced to various town boards regarding internet access. A quorum group of the ZBA along with a Select Board representative came together to form the Goshen Internet Committee. As there was a quorum of ZBA members; meeting minutes were kept, rules of procedure followed, and notification of meetings followed in accordance with regulation to maintain transparency and compliance.

In August 2020, along with Consolidated Communication, Inc., the ZBA and Planning Board jointly held an informational session that showed the town-wide picture of what access to the internet looked like. As a result of this session more complaints/concerns were voiced. This time complaints/concerns included details such as zero access to the internet and the need for medical equipment to receive updates over an internet connection.

As the Zoning Board worked to address the issues, they learned that some areas in Goshen have no access to high-speed internet, while other areas have zero access to internet services. The ZBA worked with the Select Board to identify funding sources (e.g., CARES Act funds, grants, other non-town funding options) and prepared Requests for Information and Requests for Proposals that were submitted to the Select Board the fall of 2020.

The Select Board is responsible for this process and the ZBA/Goshen Internet Committee assisted with the first info session and subsequent joint Select Board meeting as well as research, writing, and other requested items. This process will continue in to 2021.

*Alicea Bursey  
Chair, Zoning Board*

### Requirements for Semi-Annual Billing

#### Pursuant to RSA 76:15-a

76:15-a Semi-Annual Collection of Taxes in Certain Towns and Cities - I. Taxes shall be collected in the following manner in towns and cities which adopt the provisions of this section in the manner set out in RSA 76:15-b. A partial payment of the taxes assessed on April 1 in any tax year shall be computed by taking the prior year's assessed valuation times 1/2 of the previous year's tax rate; provided, however, that whenever it shall appear to the selectmen or assessors that certain individual properties have physically changed in valuation, they may use the current year's appraisal times 1/2 the previous year's tax rate to compute the partial payment.

Goshen	Total Tax Rate	Semi-Annual Tax Rate
Total 2020 Tax Rate	\$22.97	\$11.49

## Fund Balance Retention

<b>Enterprise Funds and Current Year Bonds</b>	<b>\$0</b>
<b>General Fund Operating Expenses</b>	<b>\$2,341,774</b>
<b>Final Overlay</b>	<b>\$14,298</b>

DRA has provided a reference range of fund balance retention amounts below. Please utilize these ranges in the determination of the adequacy of your municipality's unrestricted fund balance, as currently defined in GASB Statement 54. Retention amounts, as part of the municipality's stabilization fund policy [1], should be assessed dependent upon your governments own long-term forecasts and special circumstances. Please note that current best practices published by GFOA recommend, at a minimum, that "...general purpose governments, regardless of size, maintain unrestricted fund balance in their general fund of no less than two months of regular general fund operating revenues or regular general fund operating expenditures." [2],[3]

Budget Committee Member, 3 Years – Stephen Belden  
Budget Committee Member, 3 Years – Peta Brennan  
Budget Committee Member, 3 Years – Christopher Moen

2. To receive the reports of the Town Officers of Goshen and take any necessary action thereon.

**Zoning and Building Ordinances Amendment No. 1**

**Amend setback requirements for small-detached buildings not larger than 100 sq. ft. in the Zoning and Building Ordinances**  
**Section D.2 (page 7)**

**Are you in favor of adoption of Amendment No. 1 as proposed by the Goshen Planning Board for the Zoning and Building Ordinances?** Amendment No. 1 proposes to reduce the setback requirement from 20 feet to within 10 feet of a lot line for small detached buildings as follows: *Side and Rear Setback: Minimum distance from the lot side lines and lot rear lines to any buildings shall be forty feet (40'), providing, however, the minimum distance from lot side lines and lot rear lines to any small detached building (any building not larger than 100 square feet) shall be ten feet (10') of a lot line.*

**69 YES    49 NO**

**Zoning and Building Ordinances Amendment No. 2**

**Amend Outdoor Advertising requirements (signage) in the Zoning and Building Ordinances**  
**Section E, subpart 1 (page 21)**

**Are you in favor of adoption of Amendment No. 2 as proposed by the Goshen Planning Board for the Zoning and Building Ordinances?** Amendment No. 2 proposes to increase the current sign size of 20 square feet to allow a larger sign of up to 30 square feet in size by special exception as follows: *A larger sign, of up to thirty (30) square feet in size, may be permitted by special exception, provided that the proposed sign is located on the premises of the business advertised, and is otherwise in compliance with all other restrictions set forth in the ordinance, see also lighting requirements (III.L).*

**66 YES    53 NO**

**Zoning and Building Ordinances Amendment No. 3**

**Amend Outdoor Advertising requirements (signage) in the Zoning and Building Ordinances**  
**Section E, subpart 2 (page 22)**

**Are you in favor of adoption of Amendment No. 3 as proposed by the Goshen Planning Board for the Zoning and Building Ordinances?** Amendment No. 3 proposes to amend the existing wording of the Zoning and Building Ordinance for outdoor signage to allow for placement of signage closer to road frontage and to specifically state that signage may not impede traffic as follows: *Signage shall be placed no less than five feet (5') from the property line set back unless affixed to a building and not extending beyond or above the same by more than three feet (3'). At no time may signage impair or impede vision of traffic.*

**70 YES    49 NO**

**Zoning and Building Ordinances Amendment No. 4**

**Amend Outdoor Advertising requirements (signage) by adding additional regulations in the Zoning and Building Ordinances**  
**Section E, subparts 3 - 6 (new numbers, page 22)**

**Are you in favor of adoption of Amendment No. 4 as proposed by the Goshen Planning Board for the Zoning and Building Ordinances?** Amendment No. 4 proposes to amend the existing wording of the Zoning and Building Ordinance for outdoor signage by adding additional regulations as follows:

- *If signage is intended to face in two directions, signage must be built back-to-back to ensure smallest footprint possible.*
- *Home business signage is subject to provisions of V.E. and A.2.b.ii. Signs must be simple and are not permitted to be illuminated or have sound.*
- *The following signs are prohibited: Neon, tubular gas, animated, flashing, noise making, changeable electronic message boards or signs that have lights of changing degrees of intensity, brightness or color; or intermittently or*

*intensely lit signs that could present a potential distraction or safety hazard to passing motorists or pedestrians, except as otherwise provided herein. Temporary seasonal holiday decorations are not considered as part of this regulation.*

- *Signage shall be allowed by variance and special exception in accordance with the appropriate requirements for the type of use granted.*
- *Permanent advertising may be allowed only by special exception.*
- *Billboards are prohibited.*
- *Every attempt should be made to preserve the character and charm of the town when considering the design and installation of outdoor signage.*

**91 YES 25 NO**

#### **Zoning and Building Ordinances Amendment No. 5**

**Amend Outdoor Advertising requirements (signage) by adding additional regulations in the Zoning and Building Ordinances**

**Section E, subpart (new number, page 22)**

**Are you in favor of adoption of Amendment No. 5 as proposed by the Goshen Planning Board for the Zoning and Building Ordinances?** Amendment No. 5 proposes to amend the existing wording of the Zoning and Building Ordinance for outdoor signage by adding a regulation that defines grandfathering of existing signs and signs that are no longer in use as follows: *Every sign lawfully in existence at the time of adoption of these regulations may continue in existence and be maintained by the owner of the premises, but may not be changed in any of its dimensions or character or be moved, unless it is made to comply with these regulations. In the event there is a change of ownership of the premises, a change of tenants, or a reconstruction of a sign, then all signs must be brought into compliance with these regulations.*

*Any non-conforming signs, the use of which had been discontinued for a period in excess of ninety (90) days, shall not be re-established, restored, or repaired unless it is made to comply with these regulations.*

**90 YES 26 NO**

#### **Excavation Regulations Amendment No. 6**

**Amend the definition of "operation" by adding a clarification statement**

**Section III.1, definition of "operation" (page 2)**

**Are you in favor of adoption of Amendment No. 6 as proposed by the Goshen Planning Board for the Excavation Regulations?** Amendment No. 6 proposes to amend the existing wording of the Excavation Regulations for the term "operation" by adding the clarifying statement, *"except those allowed by conditions specifically noted in the permit"* as follows: *"OPERATION" For the purposes of Sections III.4-a. O and P of these regulations, the term "operation" includes the operation of any heavy motorized equipment or vehicles or the use of back-up warning devices or other noise-generating devices. It includes excavation activities, as well as any activity ancillary to excavation, such as land clearing or reclamation, which generates noise from power equipment such as bulldozers or chainsaws, except those allowed by conditions specifically noted in the permit. The term does not include the use of personal passenger vehicles to access or inspect the site or normal conversation.*

**79 YES 37 NO**

#### **Excavation Regulations Amendment No. 7**

**Add definition of warm up period**

**Section III.1 (page 3)**

**Are you in favor of adoption of Amendment No. 7 as proposed by the Goshen Planning Board for the Excavation Regulations?** Amendment No. 7 proposes to amend the existing wording of the Excavation Regulations by adding the definition for a warm up period and how to obtain permission to use a warm up period to the statement regarding start up times in section O as follows: *The warm up period is the 15 minutes immediately preceding, the by established town regulation, or by permitted exemption, start time of excavation activities. See section III.4-a. Operation Standards section P for additional guidelines.*

75 YES 40 NO

**Excavation Regulations Amendment No. 8  
Clarification of warm up activities  
Section III.4-a, O (page 13)**

**Are you in favor of adoption of Amendment No. 8 as proposed by the Goshen Planning Board for the Excavation Regulations?** Amendment No. 8 proposes to amend the existing wording of the Excavation Regulations by adding regulations that define what actions may occur during a warm up period in section O as follows: *Warm up activities are limited to the warm up of equipment engines only and may be conducted as long as the equipment is located in such a location/position that noise from this preparatory activity will not be noticeable to abutters and neighbors.*

79 YES 34 NO

**Excavation Regulations Amendment No. 9  
Amends days of permitted excavation  
Section III.4-a, P (page 13)**

**Are you in favor of adoption of Amendment No. 9 as proposed by the Goshen Planning Board for the Excavation Regulations?** Amendment No. 9 proposes to amend the existing wording of the Excavation Regulations by excavation activities to occur on Columbus Day, no other holidays are affected by this change. This change is proposed in section P as follows: *No "operation" as defined in Section III.1 of these regulations shall take place on Saturdays, Sundays, or legal state and federal holidays; with the exception of Columbus Day. Columbus Day is excluded from this list of holidays and work may be performed on this day.*

80 YES 27 NO

Moderator Mary Walter calls meeting at 6:30 p.m. She explained that the Selectmen are not here. Two are sick and one is scheduled for surgery and cannot be sick, so their doctors advised them not to come. Technically they don't have to be here, they are only here to answer questions on the budget. This is your town meeting that is run by the moderator. We have the budget committee here so we should be fine.

The moderator moved the last 2 petition warrant articles to the front and told everyone that they would be ballot votes.

---

**Article 12 Ambulance Contract**

To see if the Town of Goshen will vote to enter into a three (3) year contract with the Town of Newport for the provision of emergency ambulances services. The cost of this service to the Town of Goshen will be as follows; for the calendar years 2020 \$44,484 (prorated based on the number service days), for 2021 \$45,819, and \$47,194 for the years 2022, and to furthermore authorize the Selectboard to enter into such an agreement as may be necessary for these services and to raise and appropriate the sum of \$44,484 (prorated based on the number service days) for the first year of these services. (Petition) (Majority vote required) Not Recommended by the Selectboard and Budget Committee.

Barbara Paronto, chairperson of the Budget Committee explained that when this petition was raised it was to make sure that signing the contract with Newport was legal because the selectmen met as a quorum at an unposted Selectmen's Meeting. Then the Budget Committee found out by passing the funds in the Ambulance line item and passing this petition, it would double the amount that we would be raising and appropriating. The Budget Committee voted not to recommend. Now because of the move to the beginning of the evening, if we pass this petition we can change the amount to \$1.00 in the regular Ambulance line item and we will be back in compliance.

Moderator asked for a motion to move, it was seconded. Moderator asked if anyone wanted a paper ballot, no one did.

## **ARTICLE PASSED UNANIMOUSLY**

### **Article 13 Cemetery (Petition)**

The undersigned registered voters of the Town of Goshen Petition the Selectmen to include the following article in the Town Warrant.

"To raise and appropriate the sum of \$3,500.00 pursuant to NH RSA 289:4 to reimburse former Cemetery Commissioner Ronald Kempton for the cost to remove four pine trees that were located on Town land adjacent to the Old North Cemetery, located on the corner of Brook Road and Province Road, or about November 24, 2018 and to ratify and approve for the Town of Goshen that the tree removal was necessary to protect the gravestones in Old North Cemetery and to direct the Town of Goshen to dismiss with prejudice the lawsuit filed by the Town against Raymond Wentzell." Not recommended by Selectboard and Budget Committee. (Majority vote required) (Petition)

**Motion to move the article forward, Jim Walter. Seconded by Tim Meyette.**

**Lisa Wellman-Ally, the attorney who was representing Ronald Kempton explained when Mr. Kempton was a Cemetery Trustee he became concerned about the condition of the trees and as a result hired Raymond Wentzell to cut down and remove the trees. The town has now sued Mr. Wentzell for the removal of those trees and asserting damages of approximately \$ 44,000.**

**Mr. Wentzell has now brought a party action against Mr. Kempton stating he did not have the authority as a cemetery trustee to engage in those services. The purpose of this article is for the town to approve the removal of those trees that happened back in 2018 and to allow this town to dismiss the lawsuit against Mr. Wentzell which will then result in the dismissal of the lawsuit with Mr. Kempton and say it was necessary for the trees to be cut.**

**Raymond Wentzell stated that he has worked for the Town of Goshen in the past and has worked for every town around here. All they would ever require of him was his opinion for removing the trees and what the price would be. He said its always been that simple and it still is. All the cemetery departments give me the authority and Ron did in good faith, he's one of the best people in this town and he was trying to help the town. There were branches that were dead way at the top and some of the headstones were from the Revolutionary War. If any one of the trees had fallen in there it would have destroyed headstones and they are hard to replace. Ron was trying to help.**

**Christopher Moen stated that they do have 3 members on the Cemetery Committee and that the other 2 members were not even aware this would happen nor were the selectmen. Ron took it upon himself to do this. He should not be able to act on his own without a majority vote.**

**Barbara Paronto wanted to make 2 points. The condition of the trees is in dispute, one side says they were a threat to the cemetery and the other side says they were healthy. She didn't think we could solve that question tonight. The second point she wanted to bring up is she didn't believe litigation should be settled at town meetings, that's what the courts were for. It's a sensitive topic because even though Mr. Kempton was doing it from the goodness of his heart that doesn't mean it was right.**

**Jan Parmalee stated Mr. Wentzell should have known that he needed to submit a bid and have proof of insurance before any work was done. Mr. Kempton has hired other people before and had been told numerous times by myself and Chris and the selectmen that he could not be hiring people especially without insurance.**

Barbara Paronto said if this article passes the cost of clean up in the cemetery will fall on the town.

Raymond Wentzell said that in the past he worked for Mr. Nelson and he wouldn't go to any other person, and that yes, he did have a million dollar insurance policy.

Steven Whitley, town council for Goshen explained he was not going to get into the town strategy of who has done what and wasn't going to get into the attorney client communications.

He said there were 2 disputes.

1. The health of the trees. The Town takes the position that they were healthy when they were cut based on a certified arborist reviewing the stumps and the logs that were left.
2. The other item in dispute is the amount Mr. Kempton paid to Mr. Wentzell. The Town believes it was \$1,400 as opposed to \$3,500 that is in the petition. So there are 2 things a court would in all likelihood rule on, those 2 factual disputes. The Selectboard is not here to speak to this article but if it passes the Board would withdraw this lawsuit and those factual disputes would not be answered.

Mr. Kempton's lawyer stated he did not want the town to reimburse him the amount, if they did he would just pay it back to the town. This to him is not about getting any money it's about dismissing the lawsuit and dealing with what he did as being the best for the town and should not be punished for it.

On a motion by Fred Smith and seconded by Jim Walter to change amount to \$1.00

### **MOTION TO AMEND ARTICLE**

The undersigned registered voters of the Town of Goshen Petition the Selectmen to include the following article in the Town Warrant.

"To raise and appropriate the sum of **\$1.00** pursuant to NH RSA 289:4 to reimburse former Cemetery Commissioner Ronald Kempton for the cost to remove four pine trees that were located on Town land adjacent to the Old North Cemetery, located on the corner of Brook Road and Province Road, or about November 24, 2018 and to ratify and approve for the Town of Goshen that the tree removal was necessary to protect the gravestones in Old North Cemetery and to direct the Town of Goshen to dismiss with prejudice the lawsuit filed by the Town against Raymond Wentzell." Not recommended by Selectboard and Budget Committee. (Majority vote required) (Petition)

### **AMENDMENT PASSES**

Moderator calls for a ballot vote.
